

Veteran's Memorial Conceptual Plan

Cosumnes Community Services - Department of Parks & Recreation - April 2010

The Veteran Memorial started as my hallmark project during my year's service as President of the Rotary Club of Elk Grove in 2008, having seen that our city did not even have plans to build a Veterans Memorial. I first approached CCSD and they ran with the idea and donated almost two acres in the Elk Grove Community Park for a Memorial Garden in which the Veteran Memorial would be the cornerstone. It's been two years and we have raised over \$60,000.00 with the help of the Rotary Club, Frontier Communications, Kaiser Permanente, The Marine Corps League and have received the support of many non-profit groups in Elk Grove such as the VFW, Lions Club, and The Elks Club to name a few.

For more information on how to donate or volunteer with this project, contact Oscar O'con (916) 919-0645 or @ oscarocon@cosumneslegacyfoundation.org
