The Cosumnes Legacy Foundation

For more than a dozen years, the Cosumnes Legacy Foundation has been supporting quality-of-life services, focusing on programs and projects related to parks, recreation, fire protection and emergency medical care. The Cosumnes Legacy foundation is named for the Cosumnes River, the last free-flowing river within California's Central Valley that meanders through the heart of the foundation's service area.

The Cosumnes Legacy Foundation is an independent 501-c (3) corporation.

GIFTS for TOMORROW

We experience many milestones in our lives and some deserve special recognition. The Cosumnes Legacy Foundation now offers ways for you to memorialize a person or event and contribute to your community with the donation of "Gifts for Tomorrow." It's an excellent way to honor individuals, businesses, and community clubs, groups, and organizations. Your gift will improve the high quality park facilities that make Elk Grove a wonderful place to live.

With your donation, you can beautify a park through a tree planting, enhance a playground with play features, and increase the appeal of a park by installing shade structures, benches, picnic tables, drinking fountains, or even dog waste stations. Also available are special enhancements that include volleyball courts, horseshoe pits, bocce ball courts, and sport field and golf course amenities. Opportunities to fund these and other amenities are available in parks throughout Elk Grove via the "Gifts for Tomorrow" program.

Give today – to build an enduring legacy.

How Does the Program Work?

Your donation will fund the purchase and installation of the item and provide for its maintenance in perpetuity. The cost is approximately twice the cost of the item, and the amount in excess of each item is set aside to gain interest, which will be used to fund maintenance and potential replacement. This guarantees that your special memorial gift will live on for many years to come.

"The gifts of today will become the treasures of tomorrow."
